How to determine coverage for a drug not on this list

Members can use the [Drug Cost and Coverage tool](#) to check coverage for a specific drug by signing into the secure portion of the website listed on the back of their ID card. Members and providers can also contact CVS/Caremark at 888-963-7290 if they are unsure whether a particular drug is covered. CVS/Caremark is a division of CVS Health, an independent company that provides pharmacy benefit management on behalf of our health plans.
